FOOTNOTES TO GO WITH THE PICTURES

LOUADA ARISTOCRAT with Lot 1

For many years he sired the winners and champions for W.C. Anderson and Son. Many of them were high sellers over the years. He is the grandsire of Paisley, the 1965 Reserve Grand Champion Steer over all breeds at the Chicago International. Several head in this sale carry his bloodlines. Several head in this sale carry his bloodlines. Sire of Lots 1, 11 and 56.

GLEN COVE REGAL ROBIN with Lot 13

He has been a successful sire in the Wm. A. Taylor herd. Note the constructive breeding in his pedigree. Sire of Lots 13, 14 and 61.

LOUADA ROTHES KING with Lot 17

Main herd sire in the Louada herd and sire of many champions the past few years as well as sire of the many bulls selling in the thousands of dollars and heading many of the nation's best herds. Sire of Lot 17 in this sale. Sired first prize All-American Junior Get.

KINELLAR ROYAL ROBIN with Lot 33

He was the junior stock bull to Bapton Constructor in the Louada herd for several years and now one of the main herd sires in the Royalty Shorthorn herd of Mr. and Mrs. B. Ambrose Sterling in Kentucky. Lot 33 is his daughter.

WESTDRUMS WAYFARER with Lot 38

He was sired by a Perth Grand Champion, Uppermill Leopold, and who proved to be a wonderful sire at Westdrums. He was one of the most impressive bulls that Coverdale and Girton saw when they visited Scotland. Wayfarer was a first prize winner at Perth and sold to Bilmar Farms of Michigan at a long price, where he sired many prize winners. He is now in service in the South Dakota herd of Harris Simons. He is the sire of Lot 38.

With Lot 40 - A roan Shorthorn cow with her calf nursing.

LOUADA ROTHES PRINCE with Lot 52

The Anderson & Son senior herd bull that is a full brother to Louada Rothes King, pictured on page 12. Last year his calves in his first crop were Reserve Champion Junior Get of Sire. Note his daughters selling in this sale, Lots 52 and 53 are his daughters as well as the heifers on the front cover page. Lots 21, 22, 24, 25, 26, 28 and 34 carry his service.

LOUADA BORDER CHIEF with Lot 55

He is Anderson's junior herd bull. He is sired by Louada Standfast, he by Louada Bonaparte that sold for \$30,000. to the Duggans in Argentina. Border Chief's dam is a Blood Royal by Bapton Constructor and she is a full sister to Louada Bomber, an International Grand Champion. Lots 52, 55 and 56 carry his service.

W L PRINCESS ROMA 4TH with Lot 56

She was Grand Champion Female at the 1965 Hawkeye Downs Sale. She became the property of Roger Applegate, Oakland, Iowa, at \$725. She is a full sister to Lot 56.

FOOTNOTES TO GO WITH THE PICTURES

LAWTON WINNER with Lot 68

A Perth Reserve Champion and came to Kickapoo Farms for \$18,000, where he proved an excellent sire. At the Kickapoo dispersion he came to Iowa to head a good herd. Sire of Lot 68.

W W COPYRIGHT 5TH x with Lot 80

A fine son of Lynnwood Copyright x. He won first at the Iowa State Fair and has since been in herd service for Harold Bacon. Sire of Lots 80 and 100.

CAMSON MAIN CHANCE x with Lot 83

He was 2nd prize Summer Yearling at the 1963 International. He and a half brother and half sister won 1st prize Junior Get at same show. His sire, the \$18,000. Dandy of Westdrums, had been Grand Champion at the same show in 1962. Forty-three calves by Main Chance were dropped in 1965 and all were Polled. A bull, Lot 83 and heifers 97 and Lot 105 sell. Lots 87 has a heifer calf at side and may be rebred by sale time.

SUTHERLAND CHEVALIER x with Lot 84

He was 2nd Senior Calf at 1963 International. Purchased in 1964 Sutherland Sale for \$1900. for use in the Stirm herd. His first calf won a first at 1965 International and sold in the recent Sutherland Sale for \$1800. His first calves in Iowa sell in this sale, Lot 84, a bull and Lots 98 and 99 are bred heifers.

LYNNWOOD JUPITER x with Lot 85

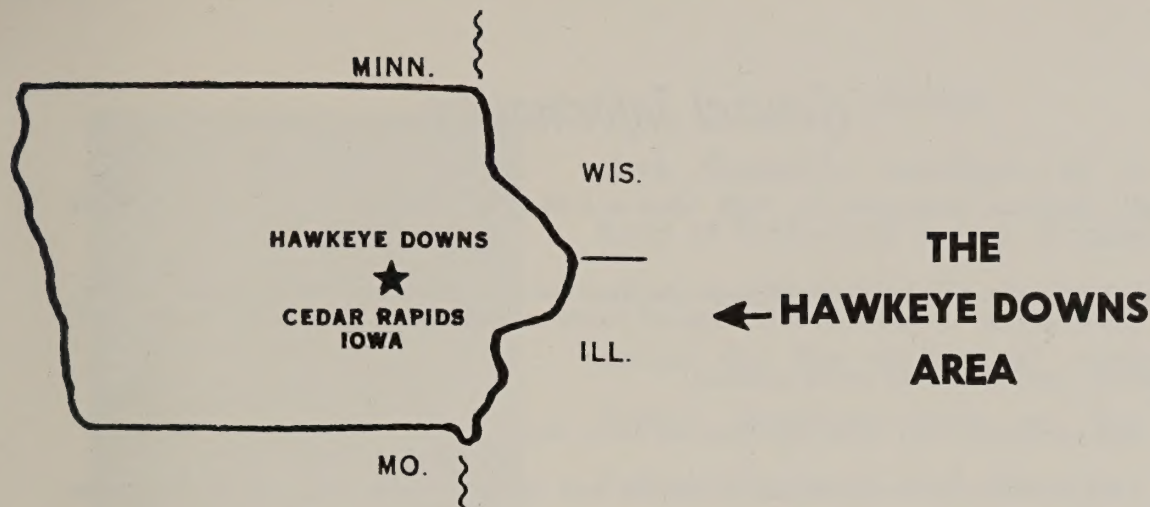

A son of Lynnwood Lancer was used in the Stirm herd and then went to Elmer Christen and Son herd. Fine breeding here. Sire of Lots 85, 93 and 94 in this sale.

RODNEYS LEADER 29TH x with Lot 90

We do not have a picture of our herd bull, Arrowsmith Challenger x so we requested that his sire's picture be used. Rodneys Leader 29th x was International Grand Champion in 1959 and he has sired one International Grand Champion Bull, Skirmish Hill's Rodney x and three International Grand Champion Females, 1st Get of Sire, best ten head and many other championships, etc. Our four females in this sale are bred to Arrowsmith Challenger x for which we paid \$1500. at auction two years ago. He is siring some wonderfully fine calves for us.

GLORIADALE CONSTRUCTOR x with Lot 93

Standing with head up - is the bull that we purchased at the Gloriadale dispersion along with Martin Lundvall and a Kansas breeder at a cost of \$3600. We selected him because he is sired by the leading sire, Gloriadale Meteor 5th x, that has sired so many leading bulls and also because his dam is by Bapton Constructor. This gives us an opportunity to line breed on Bapton Constructor since our former herd bull, K A Drum Major was an own son and Sutherland Chevalier is a grandson of Bapton Constructor. We like his scale, character, and overall quality. Lots 87 and 98 carry his service.

WELCOME AGAIN! The 48TH HAWKEYE DOWNS SALE **SHORTHORNS AND POLLED SHORTHORNS**

Hawkeye Downs Fairgrounds, Cedar Rapids, Iowa
SATURDAY, SEPTEMBER 17, 1966

SHOW: 8:30 A. M. — 46 STEERS SELL 11:30 A. M. - Central DST SHARP

A JOINT OFFERING

27 BULLS - 20 Shorthorns and 7 Polled Shorthorns

All of serviceable age. Grand bulls of herd heading calibre for the pure-bred or commercial herds. They come from our best herds and several are of blood lines new to our area.

79 FEMALES - 58 Shorthorns and 21 Polled Shorthorns

They are of richest ancestry. 10 have calves at side and some rebred; 47 others are bred and 22 open heifers including 9 head of 1966 heifers of the right age for 1967 club work.

Please study the pedigrees carefully. We invite you to especially note the bulls to which these many females are bred.

Both branches of the breed will be shown and sold together.

This extremely large sale of quality cattle affords prospective buyers a real opportunity to make single lot to truckload selections of herd bulls, quick profit females, open or club heifers or club steer calves. This is our largest offering by 9 head but we will start the sale early and don't forget that we have an extra hour of selling time on account of Daylight Savings Time.

Since 1946 Hawkeye Downs has proved to be a GOOD PLACE for buyers from east to west and north to south to buy quality Shorthorns and Polled Shorthorns in numbers.

All the consignors, sale manager and assistants are looking forward to seeing you on September 17th. The ladies would enjoy shopping in the fine stores in Cedar Rapids.

ATTENDANCE PRIZE: \$25 in cash will be given away immediately after the sale. Be sure to get your name and address upon only one card for the drawing.

DINNER MEETING: We have enjoyed our informal dinner meetings at the OX YOKE INN located in the world famous village of Amana, Iowa, which is 16 miles southwest on Hwy. 149 from the junction of Hwys. 30, 218, 149 and 64 at the southwest corner of Cedar Rapids. Accordingly we have arranged for an ala carte dinner in the Woodshed Dining Room in the above Inn at 6:30 the evening before the sale. The consignors and sale manager will make an effort to get people interested in going to the INN together, become better acquainted and use fewer cars for the trip. See us for arrangements.

EARL S. GIRTON, Sale Manager.

Livestock Insurance may be obtained in the American Livestock Ins. Co. - Harding and Harding - through the sale manager, Earl S. Girton.

Please Bring This Catalog To The Sale With You.

Catalog Lithographed by MWM Color Press, Inc., Aurora, Mo.

NOTE: Front Cover - Shorthorn heifers sired by Louada Roth's Prince. Best ten head of Polled Shorthorns at 1963 International, all sired by Rodney's Leader 29th.

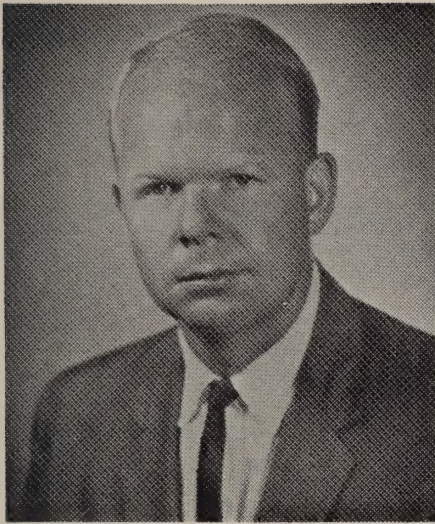

General Information

TIME: Saturday, September 17, 1966. Show at 8:30 A.M., Sale at 11:30 A.M., Central DST.

LOCATION: The sale will be held in the sales pavilion at Hawkeye Downs, Cedar Rapids, Iowa, on U.S. 30 and U.S. 218. On paved roads between Cedar Rapids and the airport.

LUNCH: Will be served on the grounds.

1. The auctioneer will settle any disputes as to bids.
2. Terms: Cash, unless arranged before the sale between seller and buyer and clerk so notified.
3. Guarantee: All cattle are sold subject to a sixty day retest for Tuberculosis if kept isolated, unless going into a Federal Accredited Herd. Health certificates will be furnished to enable them to be shipped into other states. All cattle have been tested for Tuberculosis unless they come from an accredited herd. The cattle have been tested for Bang's within 30 days or are calfhood vaccinated. Bulls are guaranteed breeders if properly cared for, not allowed to run with the herd, and not used before 14 months of age. If a bull fails to breed, he may be returned to the seller and if after a test in the seller's herd he still fails to breed he will be replaced or the purchase money be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over 14 months old at the time of sale are guaranteed to be breeders. Heifers should not be served by heavy or old bulls. The buyer must give the seller notice within 90 days in case of a non-breeder. In the case of young bulls, this means within 90 days after they become 14 months of age. All animals must be in as good condition as when purchased to be eligible for adjustment. Animals returned to sellers because they do not comply with guarantee will be at the buyer's cost of transportation. The above guarantee and terms shall constitute a contract between the consignor and buyer of each lot.
4. The Sale Manager and Clerks act only as agents for the several consignors to the sale, making collections for the account of each consignor and they do not assume any responsibility for the above breeding guarantee.
5. Your sale manager liked a feature at the Perth, Scotland, sale in 1960. The seller stood near the auction block. He could state a "Reserve Bid" or have the auctioneer announce "No Sale". We will follow that practice. In case of a "No Sale", the seller pays the regular prorata sale expense, but there will not be any manager's fee. However, if any animals are "By-Bid", there will be due the manager's 2% fee.
6. A Certificate of Registry and signed transfer will be furnished for each animal sold and an application for registry will be furnished for each unborn calf.
7. We will not be responsible for any accidents that may occur, but will make every effort to provide for the safety and comfort of our guests.
8. Mail Bids: Those wishing to buy at this sale and who cannot attend may send their bids to the auctioneer, sale manager, or special representatives.
9. Auctioneer: J.E. Halsey, Des Moines.
10. Special Representatives: Dwayne Dietz of the Shorthorn World, Tom Sherlock, Wallaces Farmer, Roy Wagener, Bellevue, Ted Aegerter, American Shorthorn Association, Wayne Farnum.
11. Settling Clerk: Keith Noll, Vice-President, Peoples Bank and Trust Company, Cedar Rapids, Iowa. Recording Clerk: Lewis L. Howard, Cedar Rapids.
12. Veterinarian: Dr. A.F. Allison, Marshalltown, Iowa.
13. Sale Manager: Earl S. Girton, Box 732, Marshalltown, Iowa. Phone: 753-3693. Wayne Farnum will handle the health charts.
14. The sale manager or others may be reached by phone listed as Hawkeye Downs, 6th St., No. Empire 3-4341.

JUDGE

Jack Ragsdale, manager of a great herd at Sutherland Farms, Prospect, Ky., where great Polled Shorthorns are produced by the mating of outstanding Polled Shorthorn bulls on the finest Polled Shorthorn and Shorthorn cows. He has judged at the International and at many other leading shows.

SHORTHORNS

A Beef Heritage Like No Other

Shorthorns have been part of the American scene almost from its beginning. Approaching two centuries ago—in 1783—the first cargo of Shorthorns landed in Virginia, heralding arrival of this country's first registered beef cattle. The big reds, whites and roans originated in Northern England, around 1600, before taking firm hold in Scotland. They were popular in America from the beginning. Then commonly called "Durhams", early settlers recognized their value for both meat and milk and found them rugged and willing as power for wagon and plow. By 1854 Midwestern farmers had begun direct importations from Scotland, concentrating their efforts on Shorthorns for beef! The breed followed pioneer wagons across the Great Plains and into the Far West, initiating the first beef improvement on longhorn cattle. As early as 1846 the first American Herd Book was published and in 1882 the American Shorthorn Breeders Association was formed. Shorthorns came first, then in 1870 Midwesterners discovered "naturally hornless" cattle occurred from time to time in horned herds. They carried a dominant characteristic, producing hornless calves when bred with either horned or polled cattle. So was discovered the first Polled Shorthorns. A proud beginning and continuing history. A beef heritage like no other!

W L LOVELY VICTORIA 10TH - This is one female that I never expected to sell at auction. Her mother was a champion at Ft. WILTON BUTTERCUP - A dark red young cow, will be bred to Melbourne McClellan, a son of Basildon Premium.

THERE'S A DEFINITE stability about Shorthorn beef cattle. Dwarfism, common to many other beef breeds, is conspicuous by its absence in Shorthorns.

They are respected performers in every conceivable situation and are often as not claimed as "part of the farm family." Shorthorns have put many a farm youngster through college and have been responsible for burning many a mortgage. As investments they're considered "preferred stock." Under reasonable management, every year there's a handsome dividend. Shorthorns...good farm partners.

GIPSY MAID 2ND - Is another nice daughter of K A Cagarac and from a dam by Rothney Justinian the \$3500 Grand Champion at Calgary, Alberta and who has done such a fine job in the Urice Bros. herd. Nice age for Club work.

Here is a quartet of junior heifer calves from the good Kellogg herd who have been sending good bulls, females and club steer calves to our last several sales. Note that these heifers are all sired by a son of the \$5000.00 Northwood Pioneer Grand by the noted Bapton Pioneer. A nice consignment of steer calves accompanies these heifers.

Here is a quartet of yearling heifers consigned by R.W. Packer & Son. They are all sired by Oakwood Diamond x by the International Grand Champion, Creekland Lancer and one of America's leading sires for many years. All have been bred to Arrowsmith Challenger x, a son of the 1959 International Grand Champion, Rodney's Leader 29th x. Challenger's dam is Avenel Augusta Lady 5th x by the \$7000.00 Camson Better News used so successfully in the Avenel herd. Challenger's full brother was Grand Champion Steer over all breeds at the 1962 Eastern National Show. A rare opportunity here for granddaughters of an International Grand Champion bred to a son of an International Grand Champion. Arrowsmith Challenger x is the only son of Rodney's Leader 29th x in service in Iowa.

GARDENIA 17TH x - Good head, thick, deep bodied, smooth, dark even roan heifer. One of the first sired by Camson Main Chance x son of the \$18000 International Champion, Dandy of Westdrums. This Gardenia family is one of the best, the foundation kind. Bred to Dandy Good News x by Dandy of Westdrums. Vaccinated for Bangs.

In laying out the catalog we reserved this space for GLORIADALE CONSTELLATION x but it did not arrive in time. He is sired by the AAA Constellation of Bapton x, an imported sire from Bapton, and his dam is a Polled daughter of Gloriadale Meteor 5th x. He has plenty of scale and quality. Purchased to use on the daughters of KA Drum Major, Sutherland Chevalier and Gloriadale Constructor x. Lots 98 and 99 carry his service - the first heifers offered to his service.

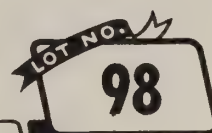

Shorthorn cattle are in the business of converting grain and roughage into beef. Very successful they are in that business, too. With high rates of feed efficiency they develop into choice market animals, satisfying the packer's demand and the consumer's appetite.

An Invitation To The Youth In Hawkeye Downs Area

In each of our Hawkeye Downs Sales we plan to have some consignments of the proper age that they may be used for 4-H and FFA Club work. In this sale please note the purebred heifers, Lots 70 to 78, were calved in 1966. It is likely that some heifers may be sold off their dams. We are also offering 46 Shorthorn and Polled Shorthorns steer calves.

Many of these calves are offered by breeders who are consigning breeding cattle to the sale. Other calves are coming from herds who have had top selling calves in former sales. This should provide an excellent selection for our Club Youth.

**REMEMBER, the Club steer sale starts at
11:30 a. m. sharp (Central Daylight Savings Time).**

A picture of PAISLEY, Reserve Grand Champion Steer over all breeds, 1965 International with Amy Slgg from Ohio, the International Lassie Queen. Paisley was bred and fitted by Jim Aegerter of Nebraska and is a grandson of Louada Aristocrat.

A pasture scene, early 1965 - Shorthorns and Polled Shorthorns develop fast when put on grain. The white calf was dropped and is the property of and developed by Gary Moothart. He is L S CORNERSTONE, the Grand Champion Bull at Ft. Worth in January, 1966 and sold to Jim Aegerter. See note on roan steer on next page.

Shorthorns in their element - producing beef fast and at low cost - in the pasture of Gary Moothart's. The roan steer in the middle, a double grandson of Louada Aristocrat, topped the last fall's Hawkeye Downs Club Sale at \$360.00.

Shorthorns Lead Virginia BCIA Test

Shorthorns continue to lead all breeds in the annual test of the Beef Cattle Improvement Association in Virginia. The results listed below show that Shorthorns lead in every category for the non-creep fed cattle for both 1964 and 1965.

Shorthorns

Year	*Adj. ADG	205 Day Wt.	Type Score	Index Value
1965	1.84	445	13.1	121
1964	1.85	448	13.4	123

Herefords

1965	1.70	416	12.0	110
1964	1.72	421	11.8	110

Angus

1965	1.72	414	12.2	112
1964	1.74	419	12.2	112

Every day more and more Shorthorn "superior history" is being made. They are making money for lots of folks—they'll do the same for you.

*Adjusted: Average Daily Gain.

Feeders Say:

Everett Stork, Blair, Nebraska veteran feeder says: "Last year I fed the Cross Brothers Shorthorns, Douglas, Wyoming. These steers gained $3\frac{1}{2}$ lbs. per day over the entire feeding period. They were the best bunch of cattle we ever fed."

No Dwarfism

Dwarfism, a worrying factor of other breeds, is conspicuous for its absence in Shorthorns. Although the other beef breeds are trying hard to correct this costly trait, no system has proven reliable, and the eventual success of the methods being used is open to speculation. Meanwhile, today's Red, White and Roan breeders continue to raise their calves with lofty disregard to this problem.

Cross Breeding Possibilities

January 19, 1966

Dear Mr. Girton:

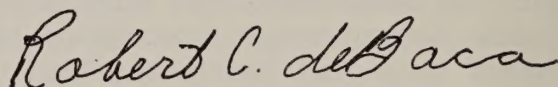

This is in reply to yours of January 12. This will constitute permission to quote me directly as follows:

"There is a potential for producing 20% more beef with little or no increase in numbers of cattle in Iowa through the use of crossbreeding. This increase through heterosis or crossbred vigor is due to increased fertility, increased survival rates, and increased weights of calves resulting from crossbreeding and a planned breeding program.

"Do not crossbreed to cover up poor management. Do not crossbreed unless you are going to use performance bred bulls and evaluate your program through performance testing. Crossbreeding for the sake of crossbreeding in a systematic and evaluated manner can be most useful."

Very best wishes with the sale.

Sincerely yours,

Robert C. deBaca
Extension Livestock Specialist
(Animal Breeding)
Department of Animal Science
Iowa State University

Ranchers Say:

Burke Johnson, Crowheart, Wyoming after switching to Shorthorn bulls reported a 48 lb. gain in the weaning weight of his steer calves. Says Burke, "The calves sired by Shorthorn bulls in our herd seem to have more vitality and are more resistant to calfhood diseases and infections. Our summer range is in the DuBois area at a high altitude and the Shorthorn influence becomes more and more apparent to me under the rugged conditions of our area. More and more ranchers here are turning to Shorthorn bulls."

IN CLOSING: On account of the quality and breeding of our offering we at Hawkeye Downs, with a little smaller offering have topped District sales in the nation. Due to our very large offering you can find individuals to suit your wishes and pocket book

We hope that you can be with us to select a very desirable bull or foundation females for a registered herd or for commercial beef production or for Club calves or just for observations and to visit. Our consignors are very congenial people. They, the sale manager, and working force wish to meet you. Please make yourself known to them. So now until September 17th.
